

PEFC™ CHAIN OF CUSTODY POLICY

FATER commits to implement and maintain the chain of custody based on the requirements of the standard PEFC™ "Certification Method for Chain of Custody of Forest Based Products" (PEFC™ ITA 1002:2013).

In particular, FATER assures that:

- Its workers are guaranteed the freedom of association, the choice of their representatives and the collective negotiation with the employer;
- It does not use forced labour;
- It does not use workers below the statutory minimum age, 15 years old or compulsory education;
- Its workers are not discriminated against and have equal employment opportunities and treatment;
- All the regulations concerning health and safety at work are observed.
